

Wondering how to find out what is on the Alberton Branch Library's shelves?  
Here's the process:

Go to [https://mtsc.ent.sirsi.net/client/en\\_US/MINERAL](https://mtsc.ent.sirsi.net/client/en_US/MINERAL).

On the upper left-hand side of the page, look for the orange "home".

In the dropdown box to the right of the orange "home", select Mineral County Library. When you type in a search, it will pull up only the items at Superior and Alberton.

On the left-hand side see the "Limit Search Results". Scroll down to "Library". Check the Alberton Branch Library box.
