ANNOUNCING SELF CARE SATURDAYS A TIME FOR EVERYONE

Starting in January the library is hosting a new
program from 11-2
Self Care Saturday is for everyone.

For older kids and adults the library will be providing
notebooks and supplies, including stickers.
We will also hold talks on diaries and journals.
There will be lessons on how to make a bullet journal,
planner or commonplace book. You can bring your
own supplies to work with if you want.
It is walk in and you can come and go anytime.

The library has a Lego Table!

At the same time as the journaling classes take place kids can come and play with the Legos.

Did you know Lego has made instructions for their sets available to use?

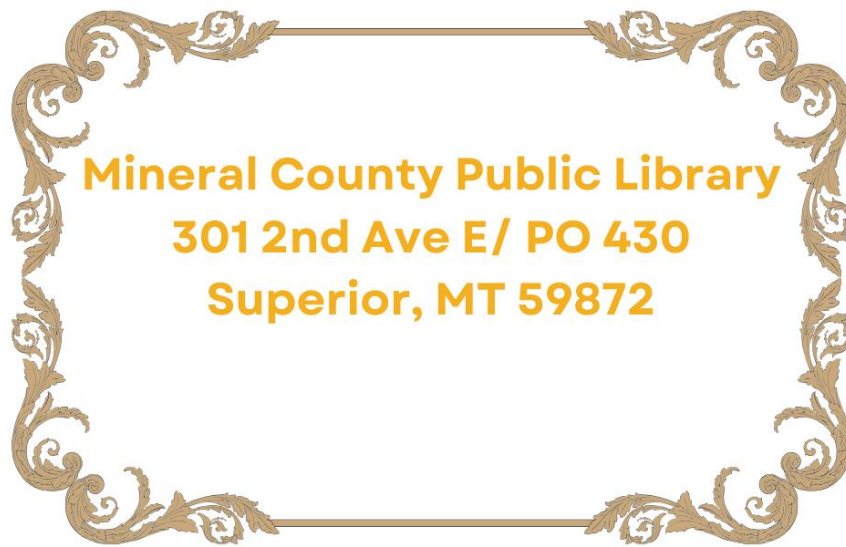

Are you ambitious want to build something epic?

Come down and check out our Lego set up.

★ This might be too ambitious
