

MINERAL COUNTY PUBLIC LIBRARY

Wi-Fi HOTSPOTS ARE AVAILABLE TO CHECK OUT AT 3 LIBRARY LOCATIONS!

Browse the internet from any mobile device 24/7

The devices allow free internet connection on the go and anywhere T-Mobile service is available on your smartphone, laptop, tablet, or other mobile device (wherever there is cell tower coverage). You can check these out at the Circulation Desk at all three of our libraries.

The purpose of the circulation of mobile hotspots is to lessen the gap of the digital divide by providing out patrons with greater access to the internet beyond the walls of the library.

What's included with each hotspot?

Carrying case, USB cable with charger, and mobile hotspot unit.
